

## Notes on how to use the SHC online Booking system (for Camps)

### Discount Camp packages

- Available for regular Colts Camps (not Performance Camps)
- Please buy these before booking your sessions.
- Each camp session is 3hrs (either morning 09:00 - 12:00 or afternoon 13:00 - 14:00)
  - Eg: if you want to buy 2 x full day camps for 2 children you will need to buy a discount package of 4
- You will receive email confirmation of the package purchased.
- Continue to book by redeeming the package code
- You can do this in two ways:
  - Click the “**Schedule**” button on your email confirmation
  - OR Click the link to the camp on the SHC website and you will be asked to enter the unique code in the “**Redeem coupon / gift certificate**” field before reaching the payment page.
  - You will be able to part pay with a package and a credit card so if you'd like to buy 5 sessions, buy a package of 4 - redeem this code for 4 sessions but add one more when booking and you will be directed to the payment page for this session.
