**Regular SHC Camps** - these are half day camps where players are divided into ability groups and will receive technical and game play instruction in a fun and engaging session

**Performance Days** - these full day camps provide an environment for players to challenge themselves while developing the skills of a performance player.

**Masterclasses** - focus on tactics and game play strategies

**SHC Technique sessions** - focus on developing and perfecting individual technical skills.

**NOTE:** Goal Keeper technique sessions, private coaching and Play Zones will be added to the schedule in the coming days.
