

Thank you!

A message from the Finals Management Team to all the volunteers involved in making the weekend such a resounding success

Dear All,

We want to say a huge THANK YOU for your time and effort this weekend. With a sold out weekend and the sheer numbers of attendees, your contribution and dedication was invaluable.

The event was a great success and we have had so many compliments on the friendliness and professionalism of all our volunteers. Having willing and able people like yourselves, who go above and beyond what is expected, makes hosting events such as this so much easier and manageable.

Despite a shortage of volunteers this year you really made your time count in every way. Without you, it wouldn't be possible to have a smooth weekend. You all wore the orange high viz jackets with pride!

Moreover, we've enjoyed meeting more members of the club and I hope to see all/some of you this Saturday at the End of Season celebrations.

We do hope you all enjoyed yourselves, and look forward to working with you all again soon!

Liselle, Anna & all the Surbiton Management Team
